The setup of the classes and music is absolutely fantastic, and the staff members are brilliant. I'd docked a couple of stars due to the \$12 charge for late cancellations. In my view, if you're already shelling out \$168 for unlimited classes, adding an extra fee for canceling seems a bit harsh, especially when unforeseen circumstances can crop up leading to last-minute cancellations. For instance, there was a time when my little one woke up with a fever and had to miss school.

Thankfully, they offer one grace "cancellation," so I escaped being charged that time. However, I was called in to work on another occasion (resulting in a fee being attempted). Another instance was when I woke up with Covid in the same month (so I wouldn't have been eligible for the grace), but luckily I hadn't booked any classes yet, otherwise, I would have incurred an additional fee or risked bringing the virus into the gym just to avoid the charge. There were times when I had classes scheduled and woke up with a nasty cold caught from my child, forcing me to go to the gym to dodge those extra fees. Exercising with a cold is no walk in the park. Consequently, I decided to cancel my membership because of this policy. On the upside, I did manage to shed some pounds, so that's definitely a plus! They really do push you.
