Definitely my absolute favorite gym in the area! I can exercise and get a tan all under one roof, and the place is always spotless! They provide cleaning supplies for the tanning beds so you can sanitize before and after tanning, and the staff is constantly on top of keeping things tidy by vacuuming and checking the cleanliness of the tanning rooms and bathrooms. On top of that, they're always so welcoming and friendly every time you step through the door. It really feels like a second home to me!
