*Just had a splendid time at the pool during a rainy day while on vacation. Absolutely marvelous! Additionally, there is a smaller, shallower pool situated beside the main pool (visible on the left in the second image). This pool has two sections, one of which is a jacuzzi. The staff mentioned that they activate the jets upon request. Consequently, we decided to give it a go, and it was truly delightful for our tired backs and feet after a long day of vacationing. The individuals there were incredibly friendly and accommodating. The lifeguard even went out of their way to locate a pair of eye goggles for my granddaughter. Truly a fantastic experience!*
