<p><i>This gym offers a comprehensive range of facilities. It's particularly convenient to have Tesla chargers available and to have a theater and restaurant located upstairs. While the gym could benefit from upgrading some of its machines, it's notable that late afternoons are relatively quiet compared to other overcrowded gyms where waiting for equipment is common. However, it's important to be cautious as there was a recent car break-in incident - avoid leaving any valuables in plain sight inside your vehicle. There are outdoor cameras in place, though. I would recommend machine upgrades and increased nighttime cleaning staff presence, although the customer service during the night is exceptional. The doorman always greets everyone warmly. The gym's proximity to the freeway and gas station is very convenient. One drawback is the absence of a kids' club, which I hope they reintroduce soon!</i></p>
