Members have expressed disappointment over stationary bikes being out of service for extended periods and the cleanliness of the restrooms needing improvement. Despite this, some patrons commend the staff for keeping common areas tidy.

## Positive Member Experiences

Not all experiences are negative; many members have praised specific employees for their exceptional service. Staff members like Shanti and others have been recognized for their friendliness and attentiveness, which greatly enhances the gym's welcoming atmosphere. Such positive interactions create a comfortable environment, aligning with Planet Fitness's mission to foster a **judgement-free zone**.
